

THE CAMPBELL NEWS

Ensuring Excellence in Orthopaedics

Nov / December 2008

Happy Holidays

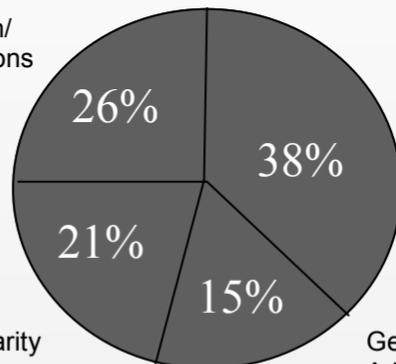

Surgeon Education

Orthopaedic Research

Community Healthcare

In this **Season of Giving**, we hope you will consider a gift to The Campbell Foundation. Your tax-deductible contribution will be used wisely to advance education and research and make a difference in the lives of our patients.

Research/
Publications

Resident/
Fellow
Education

Charity
Care

General/
Administration

The Campbell Foundation receives gifts from fellow alumni, grateful patients, physicians, trustees, corporations, and friends in the community. As a result of these contributions, The Campbell Foundation was able to:

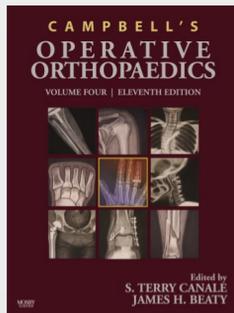

Train **42** orthopaedic surgeons through our residency and fellowship programs

Conduct promising **research** for new treatments and therapies for musculoskeletal diseases and injuries

Publish numerous research **articles** in national journals

Produce the **11th edition** of *Campbell's Operative Orthopaedics*

Provide over **11,000** uninsured children and adults with outstanding orthopaedic care through our community outreach program

HERE ARE SOME EXAMPLES OF WHAT YOUR CONTRIBUTION CAN HELP US ACHIEVE:

Your gifts will be used to update publications in the Foundation library and provide books and subscriptions to national orthopaedic surgery journals to help educate residents

A gift of **\$250** will provide orthopaedic care to a child or adult through our community clinics

A gift of **\$500** will assist in purchasing equipment and supplies for resident research projects

A gift of **\$1,000** will assist in providing opportunities for Campbell residents and fellows to attend national seminars on groundbreaking orthopaedic research and treatments

A gift of **\$2,500** or more will help the Foundation maintain the level of excellence as one of the nation's top training programs

Focus on Dr. Arsen Manugian '78

The Top 10 Reasons Why You Should Attend Triennial

10. The Peabody ducks.
9. The new and improved downtown – including Beale Street.
8. Rendezvous ribs.
7. No need to lie about your age – they know when you were a resident or fellow.
6. The chance to show off those pictures of your grand kids to a whole new audience.
5. Revelation that you're not the only one who's gotten shorter, balder, wider, grayer.
4. An opportunity to beat Beaty at golf or Canale at tennis.
3. Chance to show off your dance moves.
2. Eyewitness confirmation that Kay, Joan, Linda, Barry, and Sandy are, indeed, alive and well and still working!
1. The opportunity to laugh, cry, and reminisce with some of your oldest friends (even if you haven't seen them in years) !

Why I support the Campbell Foundation:

I feel I owe my success as a physician / surgeon in large part to the incomparable orthopedic experience I received at the Campbell Clinic. What better way of saying 'thank you' than by supporting the Campbell Foundation's mission to continue the tradition of excellence for future generations.

Thank you for remembering The Campbell Foundation during this holiday season!
