### Willis C. Campbell Club Announces New President

Dear Campbell Alumni,

To represent the Campbell Club as the Clinic begins its second 100 years of orthopaedic surgery, resident training and research in Memphis is truly an honor. The advances in our profession that have come from Dr. Campbell, all of the staff and fellows of the first century of the Campbell Clinic have benefited countless millions of patients. As alumni, we have all been trained well in both the art and science of orthopaedic surgery.

As we look back on a most enjoyable and enlightening Centennial Triennial Celebration, planning is already underway for the first Triennial of the next century. Location, dates and program are currently under consideration. Your input is valued and we will keep you informed thru The Campbell News.

Wm. Kenneth Bell  
Fellow 1979 - 1982  
Campbell Club President

### Reminder! Please pay your Campbell Club Dues

Send payment to:  
1400 S. Germantown Rd  
Germantown, TN, 38138  
attn: Jennifer Strain

### Dr. David LaVelle Joins Foundation Board

Dr. David LaVelle '84 has joined The Campbell Foundation Board of Trustees.

Dr. LaVelle graduated from University of Tennessee Martin and received his medical degree from the University of Tennessee Health Science Center in Memphis, Tennessee. Dr. LaVelle completed his orthopaedic residency at the University of Tennessee-Campbell Clinic. He joined the Campbell Clinic staff in 1985 as a specialist in adult total joint replacement.

Dr. LaVelle is an assistant professor at the University of Tennessee-Campbell Clinic Department of Orthopaedic Surgery and is a member of several professional organizations, including the American Academy of Orthopaedic Surgeons, American Association of Hip and Knee Surgeons, and Tennessee Medical Association.

In addition to serving on the Foundation board, Dr. LaVelle is a Board member of Harding Academy and AGAPE Child and Family Services.
