Campbell Club President's Letter

There's A New Sheriff in Town!

I am honored and, frankly, somewhat surprised to have been selected as the next President of Campbell Club. My wife, Beth, and I have always been very proud of our association with the Campbell Clinic and have been grateful for the support we have received over the years as we continue our work in rural Montana and Idaho. We have also greatly enjoyed the way WCC grads keep in touch with the mothership and each other.

In that vein, we look forward to catching up with old friends and meeting some new ones at the AAOS annual meeting in Orlando. We are excited to help host the hospitality suite Wednesday and Thursday - with a bit of "western flair" - and formally welcome you to the reception Friday. If you are attending the annual meeting, please plan to stop by at least one of those nights.

**Campbell Club President
Greg Behm '99**

Visiting Professor Series

Dr. Brian Wolf, University of Iowa

In January, the Campbell Foundation was honored to welcome Dr. Brian Wolf as our visiting professor. Dr. Wolf presented ***Managing Bone Loss in Shoulder Instability*** to Campbell residents, fellows, physicians, medical professionals, and area alumni.

Brian R. Wolf, MD, MS is the Ralph and Marcia Congdon Professor and Vice-Chairman in the University Of Iowa Department Of Orthopaedic Surgery. Dr. Wolf also serves as the Director of the Orthopaedic Sports Medicine fellowship at the University of Iowa.

The Campbell Foundation would like to thank our event sponsor, Gentleman Orthopaedic Solutions, for their generous educational grant.

Please mark your calendar for our next Visiting Professor, Dr. Judith Baumhauer from University of Rochester on April 4th.

Upcoming Foundation Events - Join Us!
