Dear Campbell Alumni & Physicians,

#TerryTuesday

You guys **ROCK!**

We emailed you, we even SANG to you (we apologize), and you listened! You knocked our TerryTuesday campaign out of the park!

Together with other donors, you unlocked the **\$50,000** Challenge Grant from Dr. Terry Canale and Dr. James Chappuis, adding more than **\$134,000** to our orthopaedic research efforts!

And speaking of **50**, see our **alums below** who will be celebrating **50 years or more** in orthopaedics this year!

We Appreciate Our Alumni and Physicians Who Supported Us in 2016!

Building!

NEWS BITES

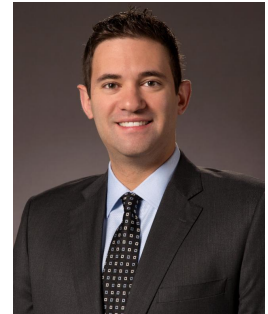

We recently caught up with Dr. Mike Azzam '15 who completed a sports medicine fellowship at Andrews Sports Medicine and Orthopaedic Center in Birmingham, AL in July. He has now joined SSM Health Medical Group in Fenton, MO. Congratulations, Dr. Azzam!

During his fellowship, he assisted as team physician for the Alabama Crimson Tide and Samford Bulldogs football teams, and also cared for the Alabama Ballet, USA Cheer, WWE professional wrestling, the Birmingham Barons and Birmingham area high school teams. During his orthopaedic surgery residency training at the University of Tennessee-Campbell Clinic, Dr. Azzam served as a team physician for the Memphis Redbirds (AAA-affiliate of the St. Louis Cardinals).

Dr. Azzam's research on rotator cuff tears in adolescents has been selected for a podium presentation at the prestigious American Orthopaedic Society for Sports Medicine (AOSSM) Annual Meeting in Toronto, Canada in July, 2017

He was recently featured on Fox 2 St. Louis News with tips for outdoor exercise, which can be found at the following link: <http://fox2now.com/2016/10/13/ssm-health-medical-minute-tips-for-outdoor-exercise/>.

Additionally, he had an article published in a local newspaper on youth sports injuries, which can be found at: <http://nebula.wsimg.com/4b337be6c0b70670e6cda1d1d811ca2a?AccessKeyId=9CC15AAF02694FEEA7E2&disposition=0&alloworigin=1>.

You Can Leave a Lasting Impression

We've rededicated ourselves to our research program and have made real progress in the last five years. I project these research advances will pale in comparison to what we will accomplish in years ahead. - Fred Azar, Chief of Staff

If you've been thinking of supporting Research and Education at the Campbell Foundation, there are many ways **you can make an impact** on the future of orthopaedics while honoring a mentor.

**Canale Presidential Research Fund
Dr. Peter G. Carnesale Education Endowment
Alvin J. Ingram, M.D. Orthopaedic Lectureship
Lee Milford, M.D. Hand & Upper Extremity Research and Education Fund
E. Greer Richardson Foot & Ankle Fund
Hugh Smith Research Fund**
